Re: Reminders and Transitioning

Dear WV STARS Credentialed Trainers,

I hope all is well. If you have not done so, please fill out one of the attached PD Provider Applications (the fee is waived). As previously mentioned, all Active Trainers need to be transitioned before **January 1, 2021**. After this date, the fee for the new applications will no longer be waived and permissions will be removed for anyone that doesn't meet the new guidelines. I recommend doing this as soon as possible to get everything taken care of. Once I receive your application, I will email you with any other requirements. If you are unsure of what application to fill out, look at the attached chart for details or message me and I'll be happy to assist you.

Also, please remember to complete any scheduled events you have on the Training Calendar. As I am completing Quality Assurance, I'm noticing many trainings with attendees "currently registered". Please complete those if you are able to do so, or let me know if you must wait until you get back to your office. If you had to cancel a training, make sure to cancel the scheduled event in the system (or let me know and I can cancel it for you).

I appreciate everyone and hope you stay safe. If you have any questions, please don't hesitate to contact me.
